# Virtual Pupillage Evening

We are delighted to invite prospective pupillage applicants to meet us at our virtual event...

There will be a short talk at the start of the evening about our work, what we offer to our pupils and what you can expect from pupillage at Gatehouse Chambers. You will then have an opportunity to meet members and discuss life in Chambers and at the Bar more generally.

The event is intended to give you an opportunity to really get to know us – beyond what we say on our website – but unfortunately that does mean places are limited. If you would like to attend please send 50 words stating why to [Joshua Griffin](#) with the subject heading 'Virtual Pupillage Evening'.

4 November 2021, 18:00 - 19:30
