

Throughout the course of 2018, members of the Hardwicke Construction team will be providing a training programme for junior construction lawyers. The series promises to be a comprehensive introduction to the fundamental principles of construction law.

You will find a list of upcoming seminars below.

7 March

How to pay more (or less) under a construction contract

13 June

"If you don't know where you're going, any road will take you there": defects and final account claims

26 September

"The sooner you get behind schedule, the more time you have to make it up": the value of delays and disruption

14 November

"The people have had enough of experts": how to blame the professionals

We will also be hosting our annual Property Damage and Adjudication Conferences on the following dates:

Adjudication Day – 27 March 2018

Property Damage Day – 26 April 2018
